All quotations are made subject to prior sale. Stock of some varieties is very limited and early orders are desirable.

DAHLIAS

We have grown several hundred varieties of dahlias including most of the prize winners.

During July we had 1-10 of an inch of rainfall, and August was little better. Due to such adverse growing conditions we shall wish to retain most of our stock for our own planting. We shall therefore offer but a few tubers of the following varieties, and early ordering is imperative.

Prices are for single tubers delivered in good growing condition. If unsatisfactory, return at once and stock will be replaced or money refunded.
